School Tea Towel Instructions

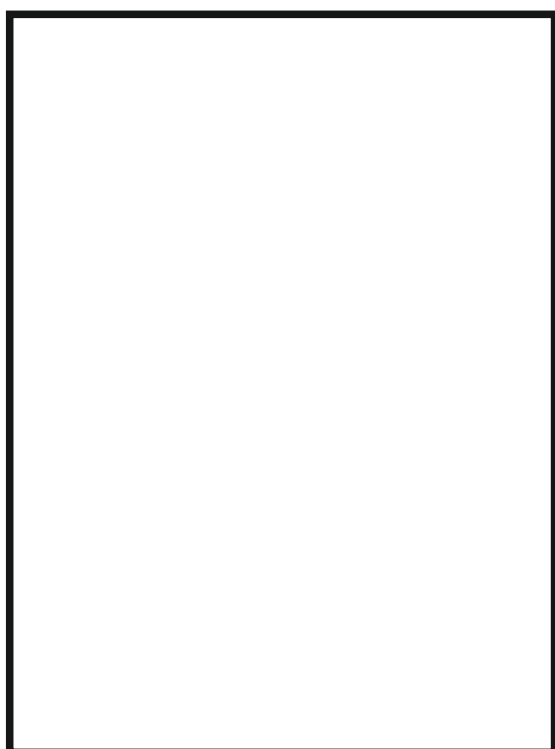

We're creating a school tea towel featuring drawings from all pupils in the school. To help us produce the best possible print, we ask teachers and staff to guide the children as they complete their drawings in the box provided.

Please ensure the children follow the guidelines below so every portrait is clear, bold and this way the tea towel prints will be clear and sharp. Consistency across all drawings helps the final tea towel look its best.

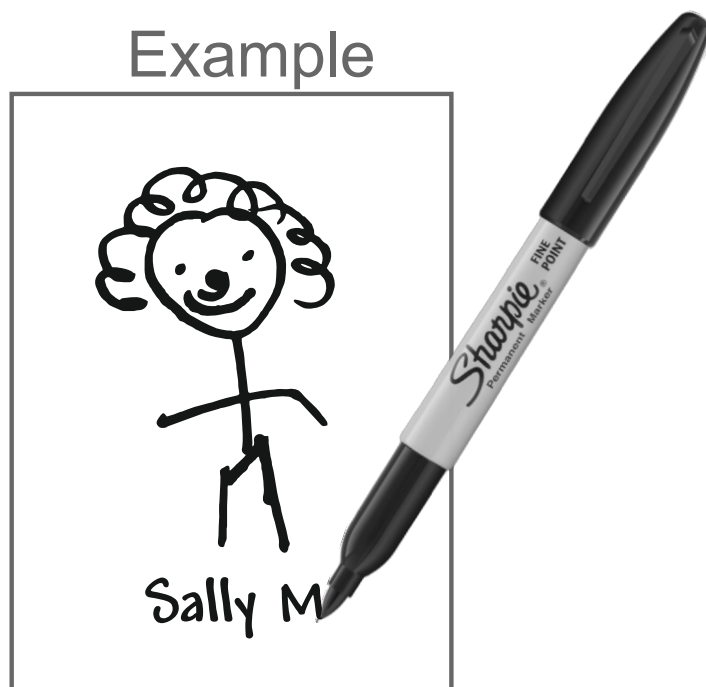

Guidelines for Teachers & Staff

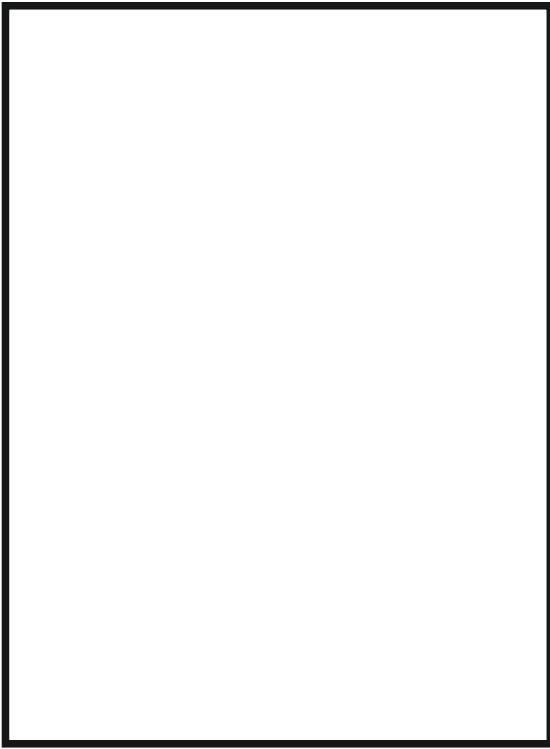

- Children may draw either a full figure or just the face — both are perfectly fine.
- Ensure each child keeps their drawing inside the box.
- Encourage children not to draw too small — larger drawings print much more clearly.
- Use only the black fibre pens provided — no pencil or coloured pens, as they do not reproduce well.
- Children can add simple or detailed features, as long as they stay within the box.
- Please help each child write their name or initials inside the box, underneath their drawing.

A Keepsake of Our School Year

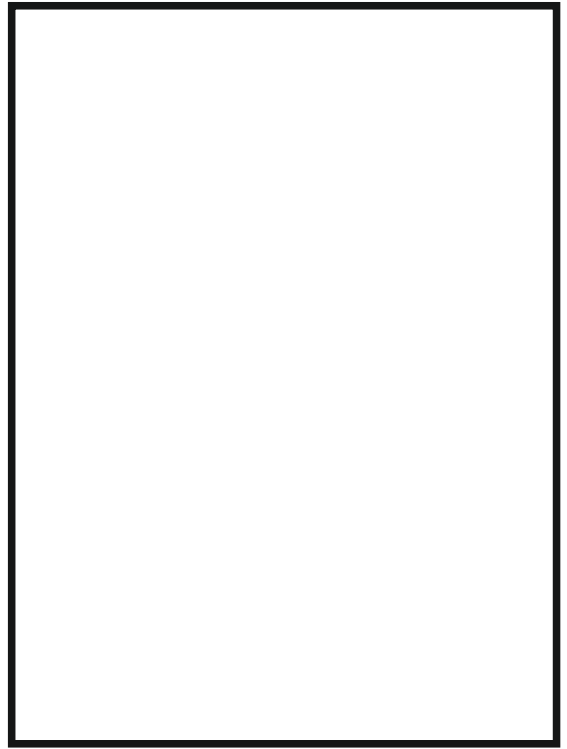

Example

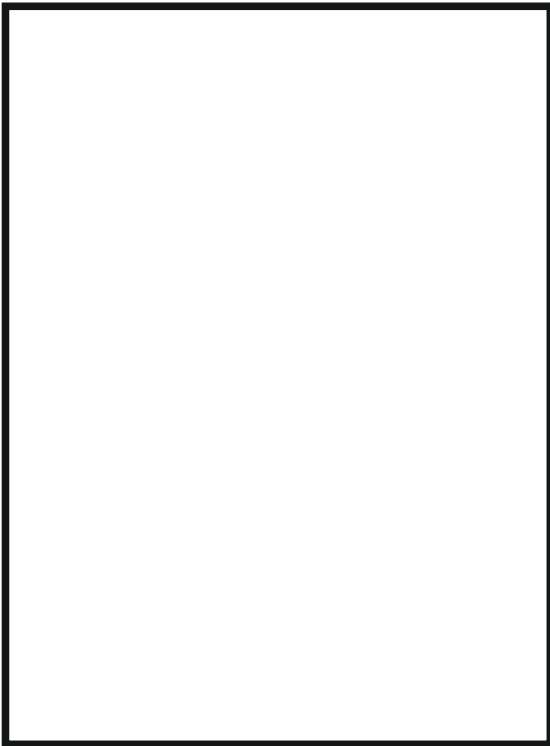

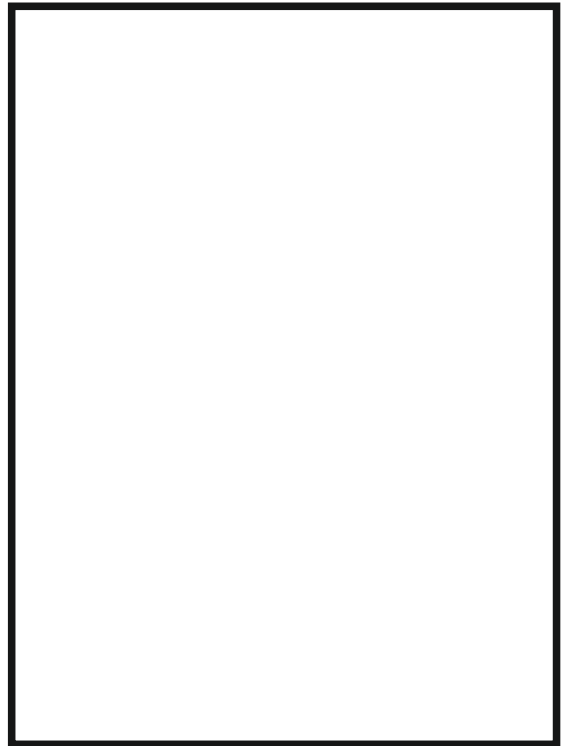

Drawing and Name
inside the box

Drawing and Name
